Additional Info:

- ✓ Visit our website at www.deltadentalwy.org or download the free Delta Dental app for iPhone or Android to see your benefits, your Explanation of Benefits or to find a dentist!
- ✓ You will receive two ID cards in your enrollment packet. If you need additional copies, please request one via the website or by calling our office at 800-735-3379.
- ✓ Verify your coverage. Login to your secure subscriber account on our website or our free mobile app to see your benefits and eligibility. If you think you may need treatment in excess of \$250, ask your dentist to submit a preauthorization. That way you'll understand your full financial responsibility upfront.
- ✓ Your oral health is very closely related to your overall health. Preventive dental visits are an important way to maintain not just a healthy mouth but a healthy body as well.
