

Privacy Notice

We do not disclose any non-public personal financial or health information about our customers or former customers to anyone, except as permitted by law.

We collect non-public personal financial information about you from the following sources:

- Information we receive from you on applications or other forms; and
- Information about your transactions with us, our affiliates or others.

We restrict access to non-public personal financial information about you to those employees who need to know the information to provide products or services to you. We maintain physical, electronic and procedural safeguards that comply with federal regulations to guard your non-public personal financial information.

Women's Health and Cancer Rights Act of 1998

Did you know that your health care benefits plan, as required by the federal Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services, including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema).
